

ISLAMIC CENTER OF WESTON (ICW) - VIRTUAL LEARNING CONSENT

This consent form covers all forms of distance learning courses, included but not limited to satellite courses, video courses, and web-based courses.

A strong partnership with families is essential to a successful experience with this new way to learn. Using this tool will allow us to stay in touch and to give instruction to/interaction with your children. As such, it is mandatory that the children must be monitored by the parent/guardian during the virtual learning session, to ensure that the children adhere to proper Islamic dress code, refrain from speaking or displaying any obscene material, offensive to good taste or morals, repulsive to the sense of decency, or any other such objectionable behavior.

Since the online courses are web-based, content accessed from home or elsewhere could put the student in contact with objectionable materials via the World Wide Web. It is the responsibility of the parent/guardian of the student to restrict any access to materials deemed inappropriate by the parent/guardian.

I consent to ICW's collection, use, and/or disclosure of information about my children through video conferencing, online classes and recording applications and other procedures used with course instruction. I understand that my student may be participating in a virtual academic setting. My child's name, image, speech, typed content, and segments of video may be transmitted during remote learning and online instruction.

The information shared with the teacher and/or ICW is meant solely for educational / class use. Any use of this academic material outside of ICW's courses such as sharing video content to a third-party website, personal website or a social media account is strictly prohibited.

Please list the name(s) of your student(s) and then sign your name as your consent for your children to participate in these virtual settings (which may be recorded for later review) as we strive to make learning more interactive.
